# The Range

Delyn Packaging produces one of the highest quality plastic food tray ranges in the UK today. Our bespoke and standard range of products have been developed over many years to ensure value for money, quality and above all, your products protection.

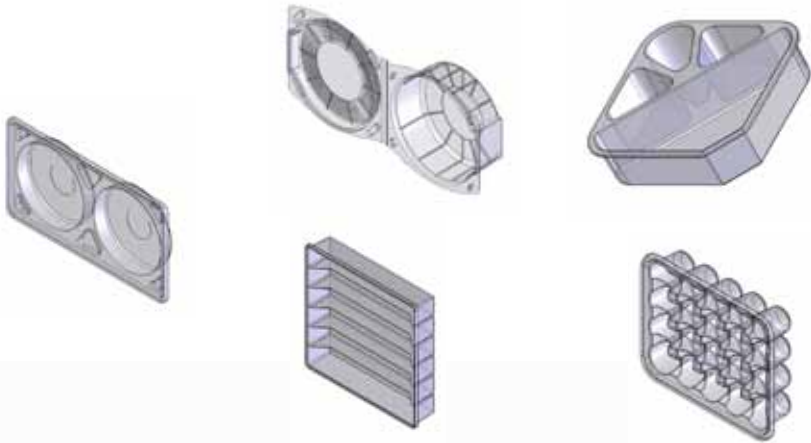

Our diverse offering of trays for Meat, BBQ, salads and wet pasta as well as dairy, snacks, party, cakes and desserts completes with a wide selection of D Range Standard sizes meaning that we almost certainly have a tray to suit your needs.

- Pro-active Customer service ensures you stay 'in-stock'
- rPET ensures the best 'environmental' fit
- Innovative developments in style and manufacturing
- Bulk order and Call off stock system allows for a 2 day turnaround order system.

# Capability

We constantly over deliver. Production quality, customer focus and design innovation ensures our trays are the best they can be. We have the capability to turn your requirement into reality with the minimum of fuss, time and cost.

# Possibilities

Your product must reach the consumer in pristine condition, adding to the overall value and shelf presence. Delyn create visually stunning yet practical tray solutions. The possibilities...endless.

## *Customer services*

We pride ourselves in our attention to detail and customer care. We offer guaranteed delivery times, products held in stock and a complete service culture.

## *Production*

Utilising the latest production machinery at our 40,000 sq ft modern facility Delyn are capable of designing and producing over 90 million units a year.
